By default, Tik Tok will make your account public unless changed in their Privacy and safety settings. To change your privacy status among other settings, here is how:

Step 1:

Open Tik Tok and tap your profile icon at the bottom right

Step 2:

Tap the ••• icon at the top right of the screen

Step 3: Tap 'Privacy and safety'

Step 4:

Tap the 'Private account' slider at the top. If slider is green, the profile is private
